

RE: OMCA Membership

Dear Clerks,

I am excited to serve as your next president and to tell you a little about this great organization (Our Great OZ) called The **Ohio Municipal Clerks Association (OMCA)**. OMCA serves as a support system for clerks in municipalities throughout the State of Ohio and provides them the opportunity to network with each other. OMCA holds one day seminars throughout the State and has a four day Institute in July, coordinated by our Institute Directors at Kent State University. The theme this coming year is Wizard of OZ. Attendance at these programs offers Ohio clerks additional education, problem-solving techniques and shared experiences – all tools through which clerks expand their professional capabilities to bring back home with them.

OMCA will find newly elected or appointed clerks or clerk/treasurers a mentor that will help them gain the knowledge, courage and heart needed to be the best.

Check out the OMCA's website at omca.us where you'll find more information, valuable tools and resources. There are tools available to members only and include our email tool that allows access to all OMCA members across Ohio.

I challenge and encourage each and every Municipal Clerk, Fiscal Officer, Deputy Clerk and Clerk-Treasurer to complete their application today and put on your ruby slippers to join me this year as we follow the yellow brick road with all the other OMCA members. For those of you who are new to the profession or for those that for whatever reason haven't joined OMCA in the past, NOW is the time to complete the attached application and start this journey with fellow clerks. Collectively this year we will learn more about the determination, knowledge, heart and courage that every clerk has within them.

If you have any questions, please feel free to contact me or any of the OMCA board members.

Sincerely,

Molly Kapeluck, MMC -OMCA President
