Firefighter Cancer: Kris Kachline

Over the last several years there has been an effort to create a presumption that if a firefighter has cancer, that it is a work-related injury. Kris Kachline is an attorney who specializes in this issue in Pennsylvania, a state that has already passed this presumption into law. Mr. Kachline will review the science and law with us to better prepare you to discuss this topic with your safety forces personnel.

"BELOW 100" SAFETY FORCES TRAINING

Below 100 is an initiative to reduce line-of-duty deaths to fewer than one hundred per year. By concentrating on the areas of loss that are most susceptible to change (e.g. use of safety equipment and enhanced situational awareness), Below 100 can serve as an instrument of cultural transformation and improved operational practices.
